HALLOWEEN AT WHITTINGTON CASTLE 31ST OCTOBER 2009

As members of the Order of Fitzwarren—you get some advance warning of this years Halloween fun evening at Whittington

Castle. The evening starts at 6.30pm when everyone will assemble on the village green opposite the 3 Trees shop. This year everyone will need a ticket and these will cost £1 and will be available from the castle.

Dress up in fancy dress costume and bring with you a torch or lantern and follow the Procession to the

Castle. Here you will meet the castle witch and get a goody bag of sweets and take part in the bat trail for prizes. Also there will be prizes for the best costumes.

Your £1 includes your sweets from the witch.

During the weeks club session you will get ideas and tips how to create a good costume for the competition.

The tearoom will be open serving Halloween snacks.

So why not come along and join in the fun—it will be better than "Trick or Treat" and should be a night full of spooky Halloween fun!

Tickets will need to be shown so get yours early!!

Ring to book tickets 01691 662397 or call in to collect and pay.

Tell all your friends and meet us at 6.30pm on the village Green
